

## TOTAL WSH POLICY

KTC acknowledges its employees are its most important resources.

We are committed to create and maintain a safe workplace by adopting a proactive & holistic approach to ensure the protection of all workmen, stakeholders, properties and the environment.

We strive towards zero workplace, environmental and health incidents.

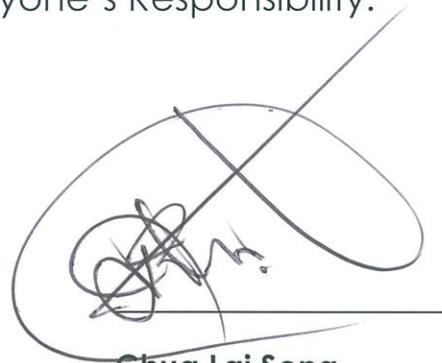

KTC is committed to integrate health promotion to the workplace that encourages and enables employees to achieve an optimum level of physical, mental and social wellbeing.

We strongly believe that all accidents can be prevented and by maximising employee health and well-being is beneficial to all and contribute to achieving our business objectives.

Total Workplace Safety and Health is Everyone's Responsibility.
